

### PMG annual charity bowling.

Started in 2010 the Precision Annual Charity Bowling Evening is a much loved & hotly contested event.

Over the years we have raised money for Macmillan Cancer Support and East Anglia's Children's Hospices, this year we raised over £350 for Hillside Animal Sanctuary.

## Charitable events.

### Football shirt friday.

In aid of Cancer Research UK, we took part in Football Shirt Friday in April. Everyone jumped at the chance to show their colours and pay a price for the privilege of wearing their football shirt to work, we weren't fussy what shaped balls were represented and had a good number of rugby shirts on display too!

### Bardfest.

We are thrilled to support a local music festival that started in 2010 and has grown over the last 10 years from a small village event into a festival weekend attracting 8000 + visitors. What started as a simple family friendly village event run as a fundraiser for the local cricket club now raises significant funds to improve facilities in the local community and for other local charities. With the new pavilion scheduled for completion in September 2019 it was fantastic to raise over £40,000 this year. We are proud to be sponsors.

### Accumulator challenge.

St Nicholas Hospice which supports our community here in Bury St Edmunds run an annual Accumulator Challenge for businesses. Starting in July with an initial £50 grant the aim is to be the business that uses the money to their best advantage and generates the biggest return. Following the success of raising the most money of any participating business in 2018 the ideas are already flowing for the 2019 challenge.

### Macmillan world's biggest coffee morning.

We never need an excuse to eat cake but we all look forward to the Macmillan World's Biggest Coffee Morning. Held every September it brings the bakers amongst us out in force and we turn our staff canteen into a coffee shop for the day and invite our neighbouring businesses, clients and staff to join us and eat as much cake as we can.

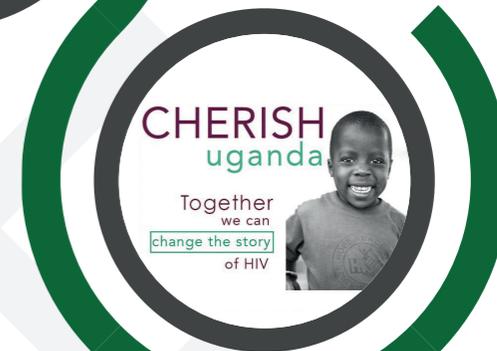

### St Nicholas hospice girls night out.

The centre of Bury St Edmunds is filled on a night in September with 2500 women wearing pyjamas and sporting glowing bunny ears once a year for the Big Girls Night Out, a sponsored night time 11.2 mile walk. The Precision girls love to get involved in this event and we match the money raised by the team members as well as sponsoring the event.

### The doxa project.

The Doxa Project is a charity community project in Kwa Murugi Kenya supporting children with education, families with weekly food distribution, encouraging people to work with small business start-ups and putting clean water filters into homes to support health and wellbeing. Our contribution to the outstanding work that they do is to print their newsletter free of charge helping them to spread the word about their activity and to reach as many potential donors as possible.

### Cherish Uganda.

Our business relies heavily on technology and having daily use of up to date computer hardware and software. In recognition of the fortunate place we find ourselves in, we joined forces with Cherish a charity in Uganda which focuses on the rescue and rehabilitation of children with HIV/AIDS. We donated money to help them furnish their school with laptops and a new operating system.
